Cognizant Co.
XYZ Address, Cognizant - 900011

To Whom It May Concern,

I am writing to express my strong interest in the Full Stack Developer position at Cognizant Co., as advertised on LinkedIn. With my background in BCA (Bachelor Of Computer Applications) and my passion for web development, I am confident in my ability to contribute to your team's success.

Throughout my career, I have gained valuable experience in MERN Stack and Next.js (including the use of MongoDB and ReactJs), which I believe align perfectly with the requirements of the role. I am particularly excited about leveraging these skills to enhance the company's production and would welcome the opportunity to apply my expertise to help Cognizant Co. achieve its goals in this area.

One of my strengths is my ability to quickly adapt to new technologies and frameworks, as demonstrated by a project in my personal portfolio named "Breads - A new gen social media application". I am known for my dedication to producing high-quality code and my ability to collaborate effectively with cross-functional teams to deliver successful projects on time and within budget.

What excites me most about Cognizant Co. is your commitment to innovation and excellence in web development. I admire your dedication to staying at the forefront of technology trends and believe that my background in Full Stack Development aligns perfectly with your mission. I am eager to contribute to the continued success of your company and help drive innovation in the industry.

Enclosed is my resume, which provides additional details about my professional background and accomplishments. I would welcome the opportunity to discuss how my skills and experiences make me an ideal candidate for the Full Stack Developer position. Please feel free to contact me at pratyush.deb@stu.adamasuniversity.ac.in to schedule an interview at your earliest convenience.

Thank you for considering my application. I look forward to the possibility of joining your team at Cognizant Co. and contributing to your continued success.

Sincerely,
Pratyush Deb
